

BORNEO ORANGUTAN SURVIVAL FOUNDATION [BOSF]

Project Description

Pentair Onga partnered with our long standing distributor of Blazemaster pumps in Indonesia PT Lest- arindo Ampuh Perkasa to jointly donate a Blazemaster Twin pump to the Samboja Lestari rehabilitation facility in Kalimantan Indonesia; where they required a pump for wash down & fire fighting.

Tony Gilding - President BOS Australia, coordinated the donation with Tom Bertinshaw (a volunteer for BOS Australia) together with our Pentair team Daniel De Groot (Sales Director - SE Asia) & Garth Rudlin (Customer Service Consultant Dandenong) and altogether we made it happen!

Borneo Orangutan Survival Australia (BOSA) is an affiliation of Borneo Orangutan Survival Foundation (BOSF) in Jakarta. BOSF manages the rehabilitation of nearly 700 orangutans on two sites; Nyaru Men- tang and Samboja Lestari (including 46 Sunbears). BOSF aims to rehabilitate and release orangutans to the forest . Sadly this is not always possible, hence the need for enclosures.

"Borneo Orangutan Survival Australia are extremely grateful to Pentair for their donation of a pump"
- Tony Gilding, President of BOS Australia
